SKILLS

- Application Development
 - Flutter
 - Kotlin (Jetpack Compose)
- Web and Mobile Application Design
 - Figma
- Team Leading
- Computer Literacy
- Strong Communication

LANGUAGES

- Amharic (Native)
- English (Fluent)

PROFILE

I'm an intermediate application developer skilled in Flutter and Kotlin, with three years of experience as a developer for mobile and designer for both mobile and web platforms. I possess strong creative and analytical abilities, added with a keen eye for detail. I thrive in collaborative environments and excel as a team player.
